

APPLIED SOIL ECOLOGY LAB CONSENT FORM

(Dr. Mario Tenuta, Department of Soil Science, University of Manitoba)

Please complete the following and return it by e-mail to soil.ecology.um@gmail.com.

Name: _____

Date: _____

USE OF PERSONAL INFORMATION

Inclusion of your personal information in Dr. Mario Tenuta's *curriculum vitae* or grant applications:

- Yes
- No
- I give permission for Dr. Mario Tenuta to include limited personal data about me in grant applications submitted for consideration to NSERC and other funding organizations. This limited data will only include (1) my name, (2) type of HQP (highly qualified personnel) training and status, (3) years supervised / co-supervised, (4) title of my project or thesis and, to the best of the Dr. Tenuta's knowledge, (5) my position title and company / organization at the time the application is submitted. I understand that this data will be protected in accordance with *The Freedom of Information and Protection of Privacy Act (FIPPA)*, and that it will only be used in processes that assess the applicant's contributions to the training of HQP, including confidential peer review.

The Applied Soil Ecology webpage includes a list of its past and present personnel for the purposes of advertising its success as a center of higher learning and expert training (soilecology.ca/personnel/).

Inclusion of your personal information on the Applied Soil Ecology Lab website:

- Yes
- No
- I give permission for my name (first and last), years employed and/or as a student, and job description and/or thesis title to be included on the Applied Soil Ecology's webpage.

NOTE: If you answer "No" to the above statements, Dr. Tenuta will omit your name and combinations of data which would identify you, but may still include other non-identifying information explaining your professional relationship.

USE OF PHOTOS

The Applied Soil Ecology Lab is active on Twitter ([@soilecologyUMan](https://twitter.com/soilecologyUMan)) and Facebook ([@SoilEcologyUMan](https://www.facebook.com/SoilEcologyUMan)), and its webpage includes a photo gallery (soilecology.ca/gallery/). If you would like to have your photos featured, please e-mail them to soil.ecology.um@gmail.com along with a brief description, including who is in the photo, what they are doing, and for which project.

Photos belonging to you:

Yes I understand that by submitting my photos to the Applied Soil Ecology Lab I am giving permission for their use on the Lab's webpage and other social media platforms.

No

Yes I give permission for my photos to be shared with Lab staff/students and other organizations.

No

Photos bearing your likeness:

Yes I give permission for photos bearing my likeness to be used on the Lab's webpage and other social media platforms.

No

Yes I give permission for photos bearing my likeness to be shared with Lab staff/students and other organizations.

No

Examples of sharing:

- Lab personnel may request photos for their presentations, posters, thesis, etc.
- The Department of Soil Science and Faculty of Agricultural & Food Sciences may wish to use photos on their website and other social networking / media platforms (e.g. Instagram, Twitter, etc.)
- Media outlets (e.g. Manitoba Co-operator, Pulse Beat, etc.) may wish to include photos of our Lab's research and activities in articles in which the Lab and its research is featured.

NOTE: Whenever possible, you will be given credit for your photo by including a copyright label on the photo itself and/or acknowledgment in its caption. If relevant to the purpose of the photo's use, the name(s) of any individual(s) in the photo will be included in the caption.

If the *Secure & Submit* button does not work, please secure your form by saving it as a .jpg file and e-mail the files to soil.ecology.um@gmail.com
